

## Boulder Junction Community Playground Plan

Revision 12/20/2021

### Current Playground Site:

### Proposed Fundraising Overview

\$50,000\* -Town commitment to jumpstart phase one of the project and allow the Community Foundation to engage

\$75,000- grants and foundation donations

\$150,000 - individual, family and business donations; equipment dedication

\$15,000 Community Fundraisers

---

\$290,000 \*town could use their budgeted funding for expenses related to the playground

Phase I: 2-5 year old Playground where current playground sits Phase 1 \$70,942 with combined \$64,587

2 seat Musky Rider

1 seat Trout or Walleye Rider

Phase II: 5-12 year old Playground: 5-12 year old- \$184,075

To stay within our budget of \$265,000-275,000 we have asked Doug to modify this structure:

**FRONT & SIDE VIEW CONICAL CLIMBER \$187,854 with community install \$171,389**

## REAR VIEW

## Free Standing Activities:

Phase III: 14 + year old Fitness Equipment: Fitness area - \$31,904 with community install \$29,342

ANIMAL TRACKS MEDALLIONS: PLAYBOOSTER® BARRIER PANEL WITH MEDALLIONS  
FRONT BACK

**Total Project:** Potential total including this option on 5-12 structure, freight and ground cover included as quoted= **\$265,998** with community install. If all equipment is ordered all at once **\$265,298**.

**What we'll be responsible for in addition to quotes:** The town crew would be asked to do the following as part of their normal work hours along with the volunteers.

- Fencing and any gates

- Site prep – excavate down 10" for the install of playground specialty bark

- Removal of all equipment

- Paths and connections from one area to another to be ADA compliant

- Moving the big rock –this is planned to be relocated near the 5-12 year old area.

- Assisting with the install

- Spreading the mulch

# Boulder Junction Park

Model Information

**Double Swoosh Slide®**

**SlideWinder2®**

**WhooshWinder® Slide**

**Arcade Climber**

**Conical Climber™**

**Traveler Climber**

**Vertical Ascent® Climber**

**GeoPlex® Climber**

**DigiFuse® Barrier Panel w/Medallions**

Models shown include standard play products only.

# Boulder Junction Park

## Environmental Statement

Since January 2008, Landscape Structures has partnered with American Forests to purchase trees which will offset the CO<sub>2</sub> generated in our manufacturing processes. These trees will not only sequester the CO<sub>2</sub>, they help filter water, remove air pollution, provide wildlife habitat and improve our natural environment.

### CARBON FOOTPRINT OF LANDSCAPE STRUCTURES PRODUCT:

Tons of CO<sub>2</sub>: 9.07  
# of Trees: 27

**Carbon Footprint:** A measurement of the effect on the climate in terms of the amount of greenhouse gases produced in the Landscape Structures manufacturing process measured in units of carbon dioxide (CO<sub>2</sub>).

### RECYCLED CONTENT OF LANDSCAPE STRUCTURES PRODUCT:

|                                           |            |
|-------------------------------------------|------------|
| Steel                                     | 792 lbs.   |
| Aluminum                                  | 595 lbs.   |
| Rubber                                    | 0 lbs.     |
| Plastic                                   | 488 lbs.   |
| Total Recycled Content:                   | 1,874 lbs. |
| Total Post-Consumer Recycled Content:     | 1,169 lbs. |
| Total Recycled Content (%):               | 41%        |
| Total Post-Consumer Recycled Content (%): | 25%        |
| Total Weight:                             | 4,616 lbs. |

**Total Recycled Content:** Material that has been recovered or diverted from the solid waste stream.

**Total Post-Consumer Recycled Content:** Material generated by households or commercial, industrial and institutional facilities in their role as end-users. This material can no longer be used for its original intended purposes.

### 2009 LEED INFORMATION FOR RECYCLED CONTENT:

If you are pursuing LEED certification for your project, please share the following information with your LEED project manager.

|                                   |                |
|-----------------------------------|----------------|
| Post-Consumer Recycled Weight:    | 1,169 lbs.     |
| 1/2 Pre-Consumer Recycled Weight: | 1/2 x 705 lbs. |
| LEED Recycled Fraction Weight:    | 1,522 lbs.     |
| LEED Recycled Fraction %:         | 33%            |
| Total Recycled Content Value:     | \$24,193.95    |

Calculations include standard play products only.
